DISCOVER THE LIFE, WORK AND WORLD OF CHARLIE CHAPLIN

A GREAT MUSEUM FOR A GREAT TIME
OPEN SINCE APRIL 2016

Enter the world of Charlie Chaplin and share a unique moment with friends and family as you meet one of the 20th century’s most celebrated artists, along with the stars and celebrities who shaped his life. Chaplin’s World By Grévin offers an exciting mix of entertainment and culture, taking you on a journey back in time, by combining unique exhibits and film clips with interactive displays and multimedia installations.

Charlie Chaplin is back in the magnificent family home where he once lived. Nestled between mountains and lake, the legendary Manoir de Ban reopens its doors so you can relive some of the highlights from Chaplin’s life.

In a huge studio within the Manor house’s park, you’ll get to meet all sorts of characters, from Chaplin himself to a host of famous people who shared his life and work in the cinema.
A UNIQUE MIX OF CULTURE AND ENTERTAINMENT

This magnificent manor house is listed as a Swiss cultural property of national importance. It was designed and constructed in 1840 by the architect Philippe Franel in neo-classical style.

Discover Charlie Chaplin’s family life at the mansion with our reconstructed scenes in the house’s main rooms. For the first time, Charlie Chaplin’s furniture and personal possessions are on display to the public. And, as you explore the exhibits tracing the last 25 years of Chaplin’s life, you’ll immerse yourself in the memories of a man who lived to the full as both a citizen of Switzerland and the world.

It’s as if the family album has been opened just for you!

THE PARK

Charlie Chaplin loved the landscaped park of the manor house above everything else. He adored spending time there, organizing family games, picnics and parties.

The park extend over more than 4 hectares (10 acres). Their centuries-old trees are bordered by a forest and criss-crossed with paths that offer superb views of the lake and the Swiss Riviera mountains. It’s a great place to chill out.
THE STUDIO
IMMERSE YOURSELF IN HOLLYWOOD
-

Immerse your senses in the star-studded world of Charlie Chaplin and enjoy a unique experience, where laughter meets emotion. As you dive into the heart of Hollywood, you’ll discover a host of famous movie sets. In our multimedia show «From laughter to tears», Chaplin’s life and works are presented from his early days to later life. There are reconstructions of the set of «Easy Street» and the carnival atmosphere of «The Circus», plus a special display about Chaplin’s famous mimes, where you can try your hand at imitating him. In the huge production studio «The Production Set», you’ll see a replica of the machine from «Modern Times» and the cabin from «The Gold Rush», as well as a reconstruction of the «Hollywood Walk of Fame». During the visit, you’ll get to know Chaplin in all his guises and see him expressing his full range of emotions, from a touching scene at the barbershop, to the romanticism of his restaurant scenes, and the humour of his films in prison and at the bank.
MEET THE CELEBRITIES

More than 30 waxwork figures created by Grévin add some glamour to the displays at the Manoir and the Studio. You’ll meet The Tramp, Charlie Chaplin, Oona Chaplin, and politicians such as Gandhi or Churchill, plus stars who crossed paths with Chaplin in Hollywood – from Paulette Godard to Buster Keaton – as well as those he entertained at the Manoir de Ban, such as Sophia Loren. Plus all those who were inspired by Chaplin’s work as director and actor, including Roberto Benigni, Fellini and Michael Jackson.
Chaplin always had a special relationship with food. He never forgot the poverty of his childhood, and loved filming scenes in restaurants or at mealtimes.

Chaplin’s café and restaurant is set in an old farmhouse, typical of the region’s rural architecture, and reflects the atmosphere the actor loved so much. The laid-back café with wooden tables, a long counter and swing doors is a great place to relax – and Chaplin’s influence is never far away. The menu offers up Chaplin-inspired food, served all day.

The café-restaurant has the same opening hours as the rest of the site, and is open to both visitors and non-visitors.
