HOLLYWOOD'S MONSTERS ARE COMING BACK TO CHAPLIN'S WORLD

Corsier-sur-Vevey, from October 15th to November 6th, 2022, Hollywood's monsters are returning to Chaplin's World to celebrate Halloween. This year, a new star among celebrities such as Dracula or Frankenstein's Monster, the Werewolf is making its grand debut. A terrifyingly unforgettable experience!

Chaplin's World continues the family's tradition of celebrating Halloween and invites young and old alike to discover the Parc du Manoir de Ban in a mysterious atmosphere filled with wonders: A journey to the darkest corners of the park where some of the most iconic characters of horror cinema will draw them into their terrifying universe. Find your courage and risk an interaction with Hollywood's monsters.

The "Hollywood's Monsters" event takes place outdoors on the Chaplin's World site and can be accessed with an entrance ticket from 15 October until 6 November 2022, according to the museum's opening hours.

The Park at Chaplin's World will be transformed for some Halloween fun suitable for all ages.
